Hi Julia and Sarah,

In preparation for the July 1<sup>st</sup> announcement, Mike Montgomery asked that we finalize the Exide Communication Strategy that we drafted based on the limited information we had in early May. Could you take the lead on updating the attached draft to reflect DTSC current messaging and HQ's feedback on EPA's communication strategy? Ex. 5 Deliberative Process (DP)

## Ex. 5 Deliberative Process (DP)

**Ex. 5 Deliberative Process (DP)** Mike asked if we could have a revised version for circulation late next week. Please let me know if I can provide any information that is not included.

Thank You

Dana,

Did I miss anything based on your conversation with Mike?

Thanks

**Edwin "Chip" Poalinelli**
